Changing Tides Family Services
2379 Myrtle Ave.
Eureka, CA 95501

Dear Carol:

On behalf of the Humboldt County Workforce Investment Board, I want to thank Changing Tides Family Services for more than 30 years of effective service to families preparing for, or currently engaged in, our local labor market.

For most of these years, employment and training staff knew Changing Tides Family Services as the Humboldt Child Care Council. However, your organization's efficient ability to broker child care services for hundreds of workers and students participating in employment and training programs over the years is what is remembered most and appreciated greatly.

Again, thank you and your staff for the important work that has been delivered in a professional manner for so many years.

Sincerely,

Cedar Reuben, Chair
Humboldt County Workforce Investment Board
