Executive Director, Jacqueline Debets*

Work-Group Charter Professional Growth Center

Executive Committee Member: Casey Crabill

Outcomes to be Achieved:

- A. Establish a work-group of WIB members, College of the Redwoods, Humboldt State University and key community members with local professional development and training knowledge and/or expertise.
- B. Identify key target customer groups that Professional Growth Center would serve, and the services being sought (elsewhere).
- C. Identify services being sought by customer groups, current gaps and duplication in market for these services.
- D. Develop concept and plan describing elements, services, and collaborative approach for establishing and maintaining a Professional Growth Center

Time Frame for Work:

Establish work-group	August
Identify customers, services, gaps and duplication	August-September
Identify elements of Professional Growth Center	September-October
Plan of action to establish	October
Final action plan	January 2006

Established: July 8, 2005, by Executive Committee
